

# A Song for Winter

Words and music by © Charles Goodger, FunSongs Education

Snow is falling  
Snow is falling  
All is white  
All is bright  
A billion snowflakes  
Fill the air  
They are falling  
Everywhere

**It's winter time  
And it's cold  
But I'm happy  
Playing in the snow**

Water's freezing  
In the lake  
Across the frozen ice  
We can skate  
Or build a snowman  
On a hill  
Or ride a snowboard  
It's a thrill!

**It's winter time  
And it's cold  
But I'm happy  
Playing in the snow (repeat)**

**Verses A / G A / G C / D C / D - with A string bass  
Chorus G / D / B7 / Em / G / D / B7 / Em**
