

Rainbow Rainbow

intro: C G D G
C G D Em Am7 D7

There are days when it rains
But the sun still shines
And light and water and air combine
They make colours in magic bands
Reach out and touch them with your hands

Red is a cherry, it's a fruit to eat
Orange is another, makes my lunch complete
Yellow's a banana - it's a tasty snack
Put it in your mouth before it goes black

Rain come, rain go
Come and make our garden grow
Rainbow, rainbow colours in the sky

Green is an apple waiting on my plate
Blue is a plum, bake it in a cake
Indigo's a berry with a taste so fine
And purple's a grape hanging on the vine
