

I'm a Sailor

Song sheet

Guitar chords: A, E, D.

I'm a sailor
I'm at sea
On a big ship
Look at me!
Look at me!
Look at me!

Across the ocean
Across the sea
To America
I have been
I have been
I have been

The wind is blowing
The sky is blue
And now I'm sailing
Home to you
Home to you
Home to you
